AN EXCELLENT business opportunity is offered for the right man. I am going to start a 20-year garment house in Portland, Ore. I have capital stock of \$100,000.00; stock is all subscribed with the exception of \$25,000.

Portland is a city of 300,000 people, with a surrounding county offers a drawing population of a half million prospective customers. The men interested in the proposition have had life experience in this kind of business and can show you just how this investment will be a good one.

The same kind of proposition in other cities, where conditions are just as favorable as those offered in Portland, are paying as high as 50 per cent.

Do not address unless you mean business and have the cash for immediate investment. Address X 5, Herald-Republican.
